MEMORANDUM FOR: Chief, Management Staff

SUBJECT : Organizational Proposal for the Production of  
Intelligence on International Communism.

REFERENCE : Memo dtd 5 May 55 to SA-DCI/PC fr A-DD/P, same  
subject.

John:

Please give me your comments and recommendations  
on this not later than Friday, 20 May.

Among others, there are two questions which I  
particularly need to have answered, i.e., (a) In accordance with  
a recent study made by [REDACTED] staff and the Comptroller it  
was agreed that we would continue to [REDACTED] for the NIS  
Program. Can they not absorb this additional effort in money al-  
ready available for this purpose, or is this \$200,000 to be ad-  
ditional? Where is the money coming from? For what period is it?  
What fiscal year, etc.? (b) Is it impossible for the CI Staff,  
Office of the DD/P, to absorb this additional effort in the T/O  
which we recently approved for them? As I recall it, they got an  
expansion of [REDACTED] positions. Is it necessary to grant  
an additional increase now?

For your information, [REDACTED] participated  
with [REDACTED] in the study which I mention in (a) above and will  
be thoroughly familiar with the problem.
